

2025-2026 Dependent Verification Worksheet (V1, V5)

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called Verification. Federal law requires the CCTC Financial Aid Office to compare the information from your FAFSA with copies of your 2023 IRS Federal tax returns (and parents, since you are considered dependent for federal aid purposes) or other financial aid documents. This process is required before awarding federal student aid.

- Bring this worksheet both completed and signed by you and at least one parent to the Financial Aid Office on your campus. *Attach any required documentation.*
- Bring a signed copy of your 2023 Federal income tax return. To request a copy of your 2023 Tax Return Transcript and/or W-2 Form(s), contact the Internal Revenue Services at IRS.GOV.
- The Financial Aid Office may ask you for additional information or documentation. If there are differences, your FAFSA information may be corrected by the Financial Aid Office.
